

DIOCESE OF FORT WORTH TRIBUNAL

Sanatio in Radice

ONLY a Priest, Deacon, or Tribunal Advocate may prepare this form.

Sanatio Petition

- The *Sanatio* Petition should include the attached form. All information must be completed (*single-sided, no blanks*).
- State clearly the reason requesting the *Sanatio* at this time: e.g., return to the sacraments, one party wishes to be received into the church, etc.
- If there are any other impediments, e.g., close blood relationship, please call the Tribunal.
- Form must be filled electronically before printing (not handwritten). Original signature of each Petitioner is required.

Required Documents (to be obtained by Petitioner and submitted with this petition)

- A Baptismal Certificate issued within the last 6 months, with sacramental notations, or a Profession of Faith (POF) for each of the Catholic parties.
- A certified copy of the marriage license showing the name and title of the officiant.
- Do not include original documents; documents will not be returned to Petitioner.
- First Communion, Confirmation, Pre-Cana, or NFP certificates do not need to be included.

Note: If a civil or non-Catholic religious ceremony was outside the Catholic Church because one party was still bound by a previous marriage and the previous spouse died **before** a Declaration of Invalidity had been granted by a Tribunal, then a ***sanation cannot be done***. In such cases contact the Tribunal.

Very Rev. D. Timothy Thompson, JCL
